

Just resilience: Rethinking climate adaptation to leave no one behind

Just resilience begins with inclusive adaptation. Learn about strategies that integrate climate action and equity to build a sustainable future for all communities.

7 April 2025
11:00 - 12:30 CET

REGISTRATION/INFORMATION

Housekeeping

- **Microphones** are disabled upon entry
- You can turn on your **camera** if you have a stable connection
- Use the **chat** to write **questions** during the presentations
- In Q&A moment, **raise your hand** and we can allow you to unmute for questions

Please note that this meeting will be recorded and made available on REGILIENCE website

Just resilience

Human-caused climate change: extreme weather events across Europe

Vulnerability varies depending on geographic location and **socio-economic status**. **Children, elderly, people with chronic health issues, low-income communities, women** are at higher risk.

Exacerbation of existing inequalities

Inclusive and fair adaptation strategies become essential to leave no one behind

07 April | 11 AM to 12:30 PM CET

Just resilience :
Rethinking climate adaptation to leave no
one behind

Nadège Seguel
Project Officer I
FEDARENE
Moderator

**Lesly M. Barriga
Delgado**
Project Officer I
FEDARENE
Moderator

Nina Pirttioja
Senior Researcher I
Finnish Environment
Institute (Syke)

Marco Morabito
Senior Researcher I
National Research
Council - Institute of
BioEconomy

Zsófia Anna Ghira
Urban action researcher
at the University of
Padova and Co-funder of
CoolCo's - Cooling
Corners and Corridors

Blai Martí Plademunt
Gender mainstreaming
officer I Barcelona
Municipality

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 101036560.

Agenda

Welcome and introduction

Moderators: Nadège Seguel & Lesly Barriga (REGILIENCE)

Characterising future socio-economic changes for enhancing climate change risk analysis and just adaptation planning

Nina Pirttioja (SYKE)

Occupational heat stress, adaptation strategies, and prevention policies in Italy: insights from the Workclimate 2.0 Project

Marco Morabito (National Research Council - Institute of BioEconomy)

Ready for the next heatwave? CoolCo's urban transformation to foster heat adaptation among vulnerable populations

Zsófia Anna Ghira (University of Padova and CoolCo's - Cooling Corners and Corridors)

Transforming Playgrounds. Where climate and gender meet

Blai Martí Plademunt (Barcelona City Council)

Q&A

Wrap-up and closing (incl. satisfaction survey)

Moderators: Nadège Seguel & Lesly Barriga (REGILIENCE)

slido

Welcome survey

① Start presenting to display the poll results on this slide.

Nina Pirttioja

Senior Researcher | Finnish
Environment Institute (Syke)

SPEAKER

JUST RESILIENCE :
RETHINKING CLIMATE ADAPTATION
TO LEAVE NO ONE BEHIND

CHARACTERISING FUTURE SOCIO-ECONOMIC
CHANGES FOR ENHANCING CLIMATE CHANGE
RISK ANALYSIS AND JUST ADAPTATION PLANNING

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 101036560.

7 April | 11:00 AM to 12:30 PM CET

REGILIENCE

Regional Pathways to Climate Resilience

Marco Morabito

Senior Researcher | National
Research Council - Institute of
BioEconomy

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 101036560.

SPEAKER

JUST RESILIENCE : RETHINKING CLIMATE ADAPTATION TO LEAVE NO ONE BEHIND

OCCUPATIONAL HEAT STRESS, ADAPTATION
STRATEGIES, AND PREVENTION POLICES IN ITALY:
INSIGHTS FROM THE WORKCLIMATE 2.0 PROJECT

7 April | 11AM to 12:30 PM CET

REGILIENCE

Regional Pathways to Climate Resilience

Zsófia Anna Ghira

Urban action researcher | University of
Padova and Co-funder of CoolCo's -
Cooling Corners and Corridors

This project has received funding from the
European Union's Horizon 2020 research
and innovation programme under grant
agreement No 101036560.

SPEAKER

JUST RESILIENCE :
RETHINKING CLIMATE ADAPTATION
TO LEAVE NO ONE BEHIND

READY FOR THE NEXT HEATWAVE? COOLCO'S
URBAN TRANSFORMATION TO FOSTER HEAT
ADAPTATION AMONG VULNERABLE POPULATIONS

7 April | 11:00 AM to 12:30 PM CET

REGILIENCE

Regional Pathways to Climate Resilience
